

PATRON COMPLAINTS

Individual board members have no authority to resolve complaints and the Board, as a whole, believes that patron complaints should be resolved at the lowest level of authority possible. Therefore, whenever a complaint is made to an individual board member or the Board as a whole, it will be referred to unit administration for processing at the lowest level of authority possible.

If the complaint is not satisfactorily remedied at the unit level, either party may refer the matter to the Director for investigation. The Director shall complete the investigation within a reasonable deadline in accordance with any applicable deadline in law.

If all other remedies have been exhausted, a complainant may request that the matter be placed on the agenda of the next regular school board meeting; however, the Board will not hear, consider, or act upon complaints that have not been investigated at each appropriate level of authority, nor will the Board hear, consider, or act upon complaints for which specific complaint resolution procedures have been established that do not allow for board review of the complaint including, but not limited to, complaints about personnel and complaints about instructional material. The district's policy on public participation at board meetings contains a procedure for requesting the Board to hear a complaint.

Anonymous Complaints

No disciplinary action will be initiated based solely on an anonymous complaint, however the administration will investigate every anonymous complaint.

Parental Complaints

While parents enjoy a unique relationship with the schools and are the recipients of special communications concerning school events and programs as well as communications concerning their own child's progress, parents shall use the same channels of processing complaints as by other citizens.

Complaints for which specific resolution procedures are provided shall be directed through those channels. These include, but are not limited to, complaints about personnel and complaints about instructional materials.
